Staron® 100% acrylic solid surfaces will enhance the appearance of any kitchen's counter tops. In addition to Staron®'s attractive appearance, Staron® products are functional, practical, and easy to maintain. Staron®'s is also nonporous with smooth, impenetrable seams, so bacteria and mold have nowhere to accumulate. Staron®'s applications do not end with kitchen counter tops and sinks. Staron®'s durability, easy maintenance and range of color choices can be used to create a variety of unique surfacing solutions, including backsplashes, table tops, window sills and more.
